

NDIS COORDINATOR INFO SESSION

Garden Village supports people with disabilities of all ages with everyday activities and social programs.

Garden Village has over 40 years experience providing care and support to the Port Macquarie Hastings community.

Together, our people create a positive culture and caring organisation. As a not-for-profit everything we do as a team is underpinned by our values to support the needs of our community and help them live their best life.

With the introduction of the National Disability Insurance Scheme Garden Village is resourced and ready to assist Local Area Coordinators find the right supports, activities and care for NDIS clients to reach their goals.
